

COMPANY **PROFILE**

EVERHIDE GLOBAL
PREMIUM LEATHER GLOVES AND ACCESSORIES

COMPANY OVERVIEW

ABOUT EVERHIDE GLOBAL:

EverHide Global is a Pakistan-based export company with integrated sourcing and manufacturing partnerships, specializing in premium quality leather gloves for international brands, distributors, and importers. We focus on delivering consistent product quality, reliable manufacturing, and professional export handling for global markets.

Our product range includes motorcycle gloves, boxing gloves, and leather dressing gloves, designed to meet the performance, durability, and quality expectations of international markets and brands.

We work with experienced and certified manufacturing partners to ensure products meet international quality standards, supported by structured production processes and strict quality control systems.

We collaborate with:

- Motorcycle gear brands
- Private label & startup brands
- Distributors & wholesalers
- E-commerce businesses

Our focus is to support international buyers with dependable supply solutions, transparent communication, and long-term business partnerships. Every order is handled with professional coordination, clear production communication, and complete export documentation support to ensure smooth international transactions.

OUR MISSION:

To provide international buyers with high-quality leather products through reliable manufacturing partnerships, strict quality control processes, and professional export handling.

OUR VISION:

To become a trusted global supply partner for leather gloves by maintaining consistent quality standards, dependable service, and long-term client relationships.
